(2 Marks)

SECTION B

QUESTION 11

a) ISA 300 *planning an Audit of financial statements*, provides guidance to auditors. Planning an audit involves an auditor establishing the overall audit strategy for the engagement and developing an audit plan. Audit planning benefits the audit of financial statements in several ways.

Required:

Explain five benefits of audit planning.

(5 Marks)

b) ISA 320 *Materiality in planning and Performing an audit* provides guidance to auditors. The calculation and estimation of materiality should be based on auditor's experience and judgement.

Required:

i) Define the term "Materiality".

(2 Marks)

ii) State three reasons why an auditor should assess materiality in an audit.

(3 Marks)

(Total: 10 Marks)

QUESTION 12

a) International Standard on Auditing (ISA) 315, '*Identifying and assessing the risks of material misstatements through understanding the entity and its environment*', requires an auditor to perform risk assessment procedures, which require obtaining deep understanding of the entity and its environment, including the internal controls.

Required:

Explain four sources of audit evidence the auditor might use as part of risk assessment procedure.

(4 Marks)

b) You are an audit assistant at QP and associates, one of the audit firms in Rwanda. Your firm has been appointed to audit Rwama Ltd, a company dealing with manufacturing and distribution of pharmaceutical items for the year ended 31st December 2023. During the past two years, a competitor who has been producing and distributing the same items at a low-cost emerged and took up a substantial number of Rwama Ltd customers. You are also informed that the main supplier of Rwama Ltd has been declared bankrupt by a court of law.

Due to the market competition; the company has not been able to pay dividends to its shareholder for the past two years. Also, during the year under review, some top level managers resigned. The company has not been able to replace them due to specialized nature of their roles. You have also been alerted that the government is in a process to introduce taxes on all locally manufactured pharmaceutical items.

Required:

In line with the information provided above, explain three matters that cast doubt on the going concern of Rwama Ltd. (3 Marks)

**c) State three objectives of audit of non-current liabilities by an auditor. (3 Marks)
(Total: 10 Marks)**

SECTION C

QUESTION 13

a) Auditors have a professional duty of confidentiality. However, there are circumstances under which they may be compelled by law or duty to disclose the information of the client.

Required:

Explain four circumstances under which an auditor may be compelled to disclose the confidential information of the client. (4 Marks)

b) Using the relevant assertions, State six audit objectives, to be achieved by an auditor when auditing tangible non -current assets of the company. (6 Marks)

c) Highlight five reasons why an auditor might need to understand the entity and its environment before undertaking an audit assignment. (5 Marks)

d) ISA 330, *Auditors responses to assessed risks* requires an auditor to obtain sufficient and appropriate audit evidence regarding the assessed risks of material misstatements, through designing and implementing appropriate responses to those risks.

Required:

Outline five ways in which an auditor can incorporate the assessed risks in the client business during an audit planning. (5 Marks)

(Total: 20 Marks)

QUESTION 14

a) ISA 230 *Audit Documentation*, requires auditors to prepare audit documentation for an audit of financial statements on a timely basis.

Required:

Describe six benefits of documenting the audit work. (6 Marks)

b) International standard on auditing ISA 500 *Audit Evidence*, requires the auditor to obtain sufficient and appropriate audit evidence to support his conclusion on test of transactions and therefore his report. Appropriate evidence is a reliable evidence.

Required:

i) What do you understand by the term, “Audit Evidence”. (2 Marks)

ii) Explain three factors that could influence the reliability of audit evidence. (6 Marks)

Required:

Suggest six controls that the management Rwanda Mart Ltd should consider. (6 Marks)

(Total: 20 Marks)

QUESTION 15

a) In the context of ISA 530 *Audit Sampling*, Audit sampling is the application of audit procedures to less than 100% of items within a population of audit relevance, such that all sampling units have a chance of selection in order to provide the auditor with a reasonable basis on which to draw conclusions about the entire population. Audit sampling can be applied using either a statistical or a non-statistical approach.

Required:

Explain four circumstances where audit sampling may be ideal. (4 Marks)

b) The auditor must understand the information system and the control environment in order to determine the audit approach.

Required:

i) Define the term "Internal control".

(1 Mark)

ii) State four elements of internal control.

(4 Marks)

c) You are an internal auditor of One Point Ltd. The company produces fruit juices which are supplied to large and small food retailers. The management of One Point Ltd have concerns about the effectiveness of their sales system and have asked you as an internal auditor to document and review the sales system.

Sales and dispatch system

Sales orders are mainly placed through One Point Ltd website but some are made via telephone. Online orders are automatically checked against inventory records for availability through telephone orders, however they are checked manually by order clerks after the call.

As the company is expanding, customers are able to place online orders which will exceed their agreed credit limit by 10%. Online orders are automatically forwarded to the dispatch and accounts department.

Due to the expansion of the company, and as there is a large number of sale invoices, extra accounts staff have been asked to help out temporarily with producing the sales invoices.

Normally it is only two sales clerks who produce the sales invoices.

Required:

In line with the above information, explain four methods for documenting the sales system.

(4 Marks)

d) You are an audit senior at Yolanda and Associates. During the year ended 31st December 2023, you have been assigned the audit of non-current assets of PK Ltd, a logistics company located at Magerwa. It has come to your knowledge that during the year, the company's Property, Plant and Equipment (PPE) were revalued by a professional valuer.

Required:

Explain any four substantive procedures you would perform to obtain sufficient and appropriate audit evidence relating to above revaluation.

(4 Marks)

e) Outline six audit procedures to verify bank balances.

(3 Marks)

(Total: 20 Marks)
