

PRESS RELEASE

Kigali, 23rd December 2022

November 2022 CPA & CAT Examination Results Released

The Institute of Certified Public Accountants of Rwanda (ICPAR) hereby releases its 22nd examinations result for both Certified Public Accountants (CPA) and Certified Accounting Technicians (CAT). These exams were administered between 28th November to 02nd December 2022 at the following examination Centres', Kigali Independent University (ULK); University of Rwanda (UR-Nyagatare Campus); University of Kigali (Musanze campus), University of Rwanda (UR -Rusizi Campus); and University of Rwanda (UR- Huye Campus).

For this ended sitting, 1,352 students sat for November 2022 examinations. These were made up of 1,004 CPAs and 348 CATs compared to 728 (641 CPAs and 87 CATs) registered in July 2022 sitting. Hence, an increase of 57% and 300% for CPA and CAT respectively and the main reason for the increase is attributed to Minecofin sponsorship and other sponsors who sponsored their students something that was not done in the previous sitting due to the timing

The overall average pass rates for November 2022 sitting are 55% for CPA and 42% for CAT compared to 49% (CPA) and 48% (CAT) in July 2022 sitting. In general, the increase in performance of CPA is attributable to enough time for exam preparation and face to face classes as well as the revision classes organized by ICPAR while the performance of CAT is in range with previous performance.

With regard to the November 2022 results, a total of **88** students (**64** CPAs and **24** CATs) have fully completed the CPA (R) and CAT (R) qualifications respectively. This brings the total of **279** candidates who have completed the CPA(R) qualification and **240** candidates who have completed the CAT(R) qualification.

The institute hereby congratulates all candidates who passed their various examination papers and more specifically those that have successfully completed the CPA (R) and CAT (R) qualification. Our commiserations to those that did not make it this time round. We again remind you that "failure doesn't mean stopping; it just means you haven't succeeded yet." And the ideal is, stop when you are done.

The management of ICPAR thanks examiners, moderators, markers, security teams, invigilators, staff, checkers, other service providers and partners for their contributions towards a successful examinations process.

Below is a list of finalists and best performers during November 2022 sitting:
