**Kigali, Rwanda - 20 December 2024**

## NOVEMBER 2024 CPA AND CAT EXAMINATION RESULTS

The Institute of Certified Public Accountants of Rwanda (ICPAR) hereby releases its 29th examination results for both Certified Public Accountants (CPA) and Certified Accounting Technicians (CAT). These exams were administered between 25th to 29th November 2024 at the following examination Centers; Kigali Independent University (ULK Kigali Campus); University of Kigali (Musanze campus), Kibogora Polytechnic (Rusizi Campus); East African University Rwanda (Nyagatare Campus) and University of Rwanda (Huye Campus).

For the ended November 2024 examination sitting, **2,065** candidates registered and sat for the examinations. These were made up of **1,649** CPAs and **416** CATs compared to **1,405** (1,637 CPAs and 372 CATs) registered in November 2023 sitting. Hence, there was an increase of 1% and 12% of CPA and CAT candidates respectively.

The overall pass rates for November 2024 sitting are 33% and 23% for CPA and CAT respectively compared to 40% and 47% for CPA and CAT respectively in August 2024 sitting.

In regard to November 2024 results, a total of **72** students (**53** CPAs and **19** CATs) have fully completed the CPA (R) and CAT (R) qualifications respectively. This brings the cumulative total of **547** candidates who have completed the CPA(R) qualification and **376** candidates who have completed the CAT(R) qualification since June 2014, when the Institute had its first graduates.

The institute hereby congratulates all candidates who passed their various examination papers and more specifically those who have successfully completed the CPA (R) and CAT (R) qualifications.

Our commiserations to those that did not make it this time round. We again remind you that “failure doesn’t mean stopping; it just means you haven’t succeeded yet.” And the ideal is, stop when you are done. This is the nature of professional examinations - world over.

We would like to thank the Government of Rwanda (GoR) for supporting the youth through sponsoring high-performing students from Higher Learning Institutions to undertake CPA qualification and all

Public Finance staff that are expected to be CPAs and CATs. This is the right step towards building a competitive knowledge-based economy that will boost Public Financial Management (PFM), the Kigali International Finance Center and other initiatives.

The ICPAR Governing Council, Education Commission and Management would like to thank the examiners, moderators, markers, security teams, invigilators, staff, checkers and other service providers and partners for their contribution towards a successful examination process. Special thanks to **RSK Associates Ltd, Catholic University of Rwanda, The Finacco Hub Ltd, Kibogora Polytechnic University and East African University of Rwanda** our accredited training providers for their effort in supporting students leading to good performance in this sitting.
